

## *List of Consulting Arborists Offering Expertise Suitable for Urban and Community Forestry Grant Program*

This is a list of individuals that offer arboricultural services and have requested that their information be posted on the North Carolina Forest Service's web site. Most provide more arboricultural services than are listed here (see below for description of services provided). Inclusion in this list does not constitute an endorsement by the NCFS. NCFS advises potential customers to check references and only hire someone with whom you feel comfortable working with. All Urban and Community Forestry Grant applicants must ensure that any work done for a grant-funded project is carried out by a certified arborist, either with the International Society of Arboriculture (ISA) or the American Society of Consulting Arborists (ASCA).
