October 2, 2015

Dear Fire Chief:

The N.C. Forest Service (NCFS) is pleased to offer the Volunteer Fire Assistance Award Program this year. This program is for NC fire departments serving a population of less than 10,000 people. This award program will be provided to qualifying departments chosen during the selection process for purchasing wildland firefighting personal protective equipment, hand tools and approved water handling items. Fire departments that are chosen for this program could receive up to a maximum of $1,200.00 in matching funds to purchase eligible items. The ability for fire departments to purchase Wildland PPE, hand tools and water handling equipment will provide for increased firefighter safety, more efficient suppression operations and will increase the number of properly equipped firefighters in our state.
Enclosed is an application with the program guidelines and instructions. ***Please read the guidelines and instructions before completing the application.*** If your department serves a population of less than 10,000 people and you are interested in purchasing Wildland PPE, hand tools and/or water handling items through this award program, complete the application and return it to us at the address listed above.
All applications must be postmarked by November 6, 2015.

The N.C. Forest Service appreciates the outstanding service you provide to the citizens of your response area, and the assistance provided to our agency. We are very pleased to be able to offer this program to the fire departments in N.C. We look forward to working with you in the future in protecting our citizens and natural resources.

Respectfully,

Greg Hicks
Fire Chief
N.C. Forest Service

N.C. FOREST SERVICE
VOLUNTEER FIRE ASSISTANCE AWARD PROGRAM
GUIDELINES AND INSTRUCTIONS

Please read all of the guidelines below before completing the application

This assistance program administered by the N.C. Forest Service (NCFS) is designed to provide financial assistance to fire departments in NC serving a population of less than 10,000 people for purchasing wildland personal protective equipment (PPE), fire shelters, hand tools and water handling items designed for use while suppressing wildland fires. All fire departments awarded funds under this program shall comply with the following requirements. Failure to comply with these guidelines will forfeit your eligibility for funding and will result in your reimbursement of any or all funds received by your department to NCFS.

Applications must be completed entirely in order to be considered for this program. Incomplete applications will be rejected, and will not be considered for this year's assistance program.

1 – This Award Program will only allow funding for the purchase of the approved items that are listed below:

Personal Protective Clothing/Equipment

Wildland Helmet	Fire Shirt/Jackets	Fire Pants	Wildland Gloves
Wildland Goggles	Fire Shelter Harness/carrier	Fire Shelters	Fireline Pack
Face and Neck Shroud(No Hotshields)		Chainsaw Chaps	*Coveralls (One piece garment)

**Coveralls are not available through the NCFS Dod purchasing program and would have to be ordered from another vendor.*

Wildland Fire Hand Tools

*Fire Swatter/Flap	Axe	Combination Tool	Pulaski Tool
McLeod Rake	Fire Rake	Forest Fire Shovel	

**Fire Swatters and Axes are not available through the NCFS Dod purchasing program and would have to be ordered from another vendor.*

Water Handling Items

Backpack Pump	1 ½ " or less Hose
1 ½ " or less Nozzles	1 ½ " or less Hose Adapters, Increasers, Decreasers
Pack Sack (to transport hose fittings)	1 ½" of less Gaited Wye Valves

2 - The PPE purchased must meet the current requirements of NFPA 1977 (2011 edition) Standard for Protective Clothing and Equipment for Wildland Fire Fighting. ***No clothing made from Fire Resistant Cotton (FR Cotton) will be purchased with these funds. All clothing must be made from a flame inherent / resistant fiber or material (Nomex®, Aramid, etc.).*** Fire Shirts shall not contain less than 5.5 oz./sq. yd. of flame inherent fabric or they will not be approved under this program. Fire Pants shall not contain less than 6.0 oz./sq. yd of flame inherent fabric or they will not be approved under this program. One piece Coveralls/Jumpsuit shall not contain less than 6oz./sq. yd. of flame inherent fabric or they will not be approved under this program.

3 – The maximum amount of funding requested by any fire department shall not exceed $1,200.00.

Fire Department 50% = $1,200.00
NCFS 50% = $1,200.00 Maximum
Tota = $2,400.00

4 – Fire Departments receiving funds under this program shall comply with all Federal Statutes relating to nondiscrimination and all applicable requirements of all other Federal laws, Executive orders, regulations, and policies. These include but are not limited to:

> Title VI of the Civil rights Act of 1964 (40 U.S.C. 2000d), which prohibits discrimination on the basis of race, color, disability, or national origin;
> Title IX of the Education amendments of 1972, as amended (20 U.S.C. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; and Section 504 of the Rehabilitation Act of 1973 as amended (29 USC 794) which prohibits discrimination on the basis of disabilities.
> In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. (Not all prohibited bases apply to all programs.) To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 220250-9410 or call (202) 720-5964 (voice and TDD). USDA is an equal opportunity provider and employer.

5 – On the bottom portion of the application, please list an estimated total cost of eligible items that you intend to purchase with these funds if awarded funding through this program. *(maximum total amount allowed is $2400)*

6 – No orders should be submitted to us or placed by a fire department prior to receiving award notification. Also, invoices will not be accepted that are dated prior to award notification.

7 – NCFS offers a DOD Purchasing Program for NC Fire Departments in which most of the items authorized for purchase with this assistance program funding are available with the exception of coveralls, fire swatters and axes. If your department is awarded this funding, a DOD Information Sheet and Order Form will be sent to you with your award notification letter for your use if you choose to purchase your items from our DOD Purchasing Program. If your department is awarded funding and you decide to purchase your items through our DOD Purchasing Program, you will be invoiced for 50% of your total purchase once you have received delivery of your items. More information on the NCFS's DOD Purchasing Program for Fire Departments is also available on our web site at http://ncforestservice.gov/fire_control/fc_Dod.htm.

> **** Please note that DOD prices can change at any time during the year due to contract changes. Therefore, the DOD prices that are on the enclosed price list may be slightly different at the time that you place your order. Since NCFS has no control over the pricing set by DOD, you will be responsible for any differences exceeding your 50% share. Also, there are no returns or exchanges allowed with the DOD Purchasing Program.***

If your department chooses to purchase approved items from sources other than the NCFS DOD purchasing program, then the following requirements must be met before the NCFS will reimburse your 50% portion:

- Vendor must be paid in full by your department for the items purchased.
- A copy of the itemized invoice **and** copy of the cancelled check or bank statement for the items purchased must be submitted to NCFS at the address listed below in section 9.
- Items purchased must be available for inspection by a NCFS.

8 – All completed applications for this Award program must be postmarked by **November 6, 2015.** No faxed copies accepted. A notification letter will be sent to you advising you if funding will be awarded to your fire department or not.

9 - Send all applications to the following address:

N.C. Forest Service
Griffith's Forestry Center
2411 Old US 70 West
Clayton, NC 27520
Attn: VFAP Award Program

10 – For inquiries or additional information regarding this assistance program, please contact your local County Ranger, District Ranger, the State VFAP Coordinator's Office at (919) 553-6178 Ext. 221, or visit our web site at http://ncforestservice.gov.

Please make sure that the hose, adapters, etc that you order will work with your existing fittings.

Backpack Pump Complete Unit

Complete backpack pump outfit includes 5 gallon suppression bag, 2 liners, quick-disconnect fittings, connector hose, and handheld single acting trombone style pump. This is a combination of NSN's 4320-00-595-0762 and 8465-01-321-1678. Straps are included. **(NFES# 1149)**
4320-00-289-8912.....EA $147.03

Synthetic Garden Hose

Lightweight hose as a woven synthetic jacket and is lined. 200 p.s.i. operating pressure. 5/8" diameter hose has a ¾"-11-1/2" NH threaded coupling (equivalent to standard garden hose threads). To be used for mop-up operations, pumper protection and misc. applications. **(NFES# 1016)**
4210-01-167-1061...50'.....LG $36.28

Synthetic Lined Fire Hose

Lined synthetic woven jacket hose, lightweight, 100ft. lengths, with aluminum rocker lug couplings. Working pressure 450 p.s.i. 1" diameter hose has a 1" NPSH threaded coupling. **(NFES# 1238) 1" NPSH**
4210-01-166-8122...100'...LG $133.73

1-1/2" diameter hose has a 1-1/2" NH threaded coupling. **(NFES# 1239) 1-1/2" NH**
4210-01-165-6597...100'...LG $166.30

Fire Hose Nozzle

Shut off type with two outlets. Combination fog and straight-stream nozzle. Both outlets have 3/4" GHT threads. Comes with two tips: 3/16 " (10 gpm) straight stream and a 3 gpm spray tip. Inlet is 1" NPSH female. Selector goes from spray to straight, to off. Aluminum nozzle. Tips may be brass or aluminum. **(NFES# 0024)**
4210-00-640-1892.....EA $126.06

Packsack

Packsack is intended for use in a wide variety of field related activities, including Wildland Fire Suppression. The top of the packsack closes with a drawstring and a zippered pocket flap. Includes shoulderstraps and a chest strap. Dark green heavy duty nylon duck cloth.
(NFES# 0744)
8465-00-205-3493.....EA $38.90

Fire Hose Nozzle Tip

Tips for all nozzles having 3/4" GHT outlets including NSN 4210-00-203-3519, NSN 4210-00-640-1892,and NSN 4210-01-108-2934. All tips have 3/4" GHT female threads. Brass and aluminum.
Spray type 2.0-4.0 gpm-size 3
(NFES# 0635)
4210-00-204-3358.....EA $19.67

Spray type 5.0-7.0 gpm - size 6
(NFES# 0636)
4210-00-204-3386.....EA $23.17

Fire Hose Nozzle Tip

Tips for all nozzles have ¾" GHT outlets. Including 4210-00-203-3519, 4210-00-640-1892 and 4210-01-108-2934. All tips have ¾" GHT female threads. Solid straight stream type tip has a ¾", 11 ½ NH female threaded inlet and is make of brass. Measures 1-3/4" long overall. Discharge opening is 3/16", 40-gpm.

Straight stream type - 10 gpm (NFES# 0637)
4210-00-203-3855 3/16".....EA $7.63

Discharge opening is 3/8", 40 gpm.
Straight stream type - 40 gpm (NFES# 0638)
4210-00-203-3845 3/8" .....EA $8.30

Straight stream type - 18gpm. Discharge opening is ¼". (NFES# 0737)
4210-00-177-6135 1/4" .....EA $7.84

Fire Hose Nozzle

Barrel type plastic polycarbonate nozzle. Adjusts from straight stream to fog to off. Rubber bumper and gasket included. 1" NPSH, 17 to 20 gpm. (NFES# 0138)
4210-00-085-2291.....EA $7.70

Mop-Up Nozzle
Wildland fire hose nozzle with ¾" GHT inlet threads NH (garden hose) threads, brass. Flow rate varies from 4–gpm spray pattern to 8-gpm straight-stream pattern. Will shut off under 250 psi. 5" long **(NFES# 0136)**
4730-00-595-1103.....EA $16.91

Nozzles w/Shut-Off, Combination Barrel

Barrel-type nozzle with shut off is made of aluminum alloy. Outer barrel rotates from high flow spray, to high flow straight stream, to low flow spray to low flow straight stream and to off. Female intake is a 1", 11 ½ NSPH, 10 to 25-gpm. 10 to 25 gpm
1" NPSH
(NFES# 1081)
4210-01-165-6603.....EA $24.99

Female intake is 1-1/2", 9 NH, 20 to 75-gpm. 20 to 75 gpm
1-1/2" NH
(NFES# 1082)

4210-01-167-1123.....EA 39.07

Fire Hose Double Female Adapter

Double female connection has aluminum couplings w/ a 600 psi test pressure. Ends are 1" NPSH. Female. **(NFES# 0710)**
4210-01-080-1457.....EA $20.10

Fire Hose Double Male Adapter

Double Male connection with center wrenching is plain style. Has right hand threads and aluminum couplings with 600 psi pressure. Measures 2" long. 1" NPSH **(NFES# 0916)**
4210-01-080-1458.....EA $9.85

Fire Hose Increasers

Increaser has aluminum couplings with 600 psi pressure.
¾" NH (F) x 1" NPSH (M)
(NFES# 2235)
4210-01-080-6531.....EA $15.54

1" NPSH (F)x 1½" NH(M)
(NFES# 0416)
4210-01-080-6532.....EA $12.75

Shut-Off Valve

Aluminum valve has a female threaded inlet with gasket recess and male threaded outlet. Has an on-off or open-close lever with stops at both positions. Removable inlet or outlet allows for easy cleaning and repair. Has 1", 11-1/2 NPSH threads on both ends. **(NFES# 1201) 1" NPSH**
4210-01-165-6599.....EA $56.00

High Pressure Hose

High pressure fire hose with 1" 11-1/2 NPSH compression wedge couplings. A braided hose of 3/4" inside diameter, 50-foot length. Working pressure 600 p.s.i.
(NFES# 1220)
4210-00-595-1838...50'.....LG $302.62

Garden Hose Wye Valve

Wye gated shut-off. Small wye valve has ¾" garden hose threaded (GHT) connections. Has one inlet & two outlets w/ gated shut-off ball valves, 200 psi. (This is a component of the Mop-Up Kit) **(NFES# 0272)**
4210-01-412-6335.....$15.04

Fire Hose Reducer

Reducers have aluminum couplings with 600 psi pressure.
1" NPSH(F) x ¾ " NH (M)
(NFES# 0733)
4210-01-079-9286.....EA $6.30

1½" NH(F) x 1" NPSH(M)
(NFES# 0010)
4210-00-975-2969.....EA $7.11

1½" NPSH(F) x 1" NPSH(M)
(NFES# 0418)
4210-00-294-2648.....EA $12.98

Hoseline Tee w/ Capped Male Branch

Aluminum alloy tee issues 600 psi max operating water pressure. Has right hand threads. Connects 1"NPSH (F)threaded inlet to 1" NPSH outlet and ¾" 8 NH branch w/male threads; center leg length 1-1/2". Male threaded ¾" branch is closed w/ removable aluminum alloy cap.
1" NPSH x 1" NPSH x ¾ " NH **(NFES# 1809)**
4210-01-081-0418.....EA $27.62

Connects 1"NPSH(F) inlet to two 1" NPSH(M) outlets.Center leg length 1-1/2". One outlet is closed w/removable aluminum alloy cap.1" NPSH x 1" NPSH x 1" NPSH
(NFES# 2240) 4210-01-080-1459.....EA $18.24

Fire Hose Wye Valve

Aluminum wye valve has a female inlet and two ball-valved male outlets.Ball type release of water either or both outlets. Working pressure is 600 psi.

1" NPSH-All threads are 1", 11 ½" NPSH
(NFES# 0259)
4210-00-126-5108.....EA $83.28

1-1/2" NH- All threads are 1½", 9NH
(NFES# 0231)
4210-00-984-3475.....EA $100.90

**Note: NO RETURNS OR EXCHANGES ALLOWED.
Please make sure that the hose, adapters, etc that you order will work with your existing fittings.
