

NC STATE

EXTENSION

FORESTRY LANDOWNER SUMMIT

Gain essential knowledge on a variety of forestry and wildlife topics that you can apply to your forest. Learn about current issues impacting our forests and practices you can implement to improve and keep your forest for generations. Choose from a wide selection of topics including forest farming, basic forestry terms, wildlife, forest succession, and private land recreation.

September 7, 2024 | 9:00 am–3:30 pm
